AUTHORIZATION APPROVED

Your travel authorization has been approved and you are authorized to travel to the United States under the Visa Waiver Program. This does not guarantee admission to the United States; a Customs and Border Protection (CBP) officer at a port of entry will have the final determination.

If necessary, you can update the following information on an approved authorization: address while in the United States and e-mail address. To access your travel authorization, you will be required to provide your application number, Passport number, and birth date. If you need to change any other information on the form, you must apply for a new travel authorization.

To begin planning your trip to the United States today, please visit VisitTheUSA.com, the Official Travel and Tourism website of the United States.

U.S. Customs and Border Protection (CBP) has developed a new program called **Automated Passport Control (APC)** that expedites the entry process for eligible Visa Waiver Program international travelers by providing an automated process through CBP's Primary Inspection area. To learn more about APC and participating airports following this link: <https://www.cbp.gov/travel/us-citizens/apc>
